DISNEY'S HOTEL NEW YORK - ★★★★★THE ART OF MARVEL

Each floor of Disney's Hotel New York - The Art of Marvel focuses on a different Marvel superhero, which is reflected in the artwork on the floor. What they all have in common, however, are the stylish & modern rooms & suites.

1 Superior rooms

These standard rooms of the hotel are equipped with 1 double bed & 1 sofa bed or with 2 double beds. So they offer space for 3 or 4 persons. Of course, the modern rooms are air-conditioned & offer some extras, such as a TV integrated in the mirror & a Nespresso machine. For an extra charge, the rooms are also available with a lake view, garden view or a small terrace.

2 Empire State Club rooms

The design of the Empire State Club rooms is similar to the regular rooms. However, they offer additional bathrobes & slippers, but above all access to the Empire State Club Lounge, where breakfast is served in the morning in a quiet atmosphere. You can also enjoy complimentary drinks all day and sweet and savoury snacks in the afternoon.

3 Suites

The Superhero, Spider-Man, Avengers & The Art of Marvel Presidential Suites not only offer you extra space and luxury, but also outstanding design and, of course, access to the Empire State Lounge and its amenities.
